To Whom It May Concern,

Eduardo Felipe Obando began work at Surf Simply in June 2016 as Sous Chef. This role was primarily assisting our head chef in the preparation of food. Within 12 months Senior Obando was promoted to Kitchen Manager. This involved coordinating menu planning with suppliers, as well as planning the kitchen's budget and interacting with guests to anticipate their needs.

Surf Simply closed in March 2020 due to the Covid related border restrictions.

During his time at Surf Simply, Senior Obando proved himself to be intelligent, organized, and proactive at problem-solving. He is self-motivated and capable of working efficiently both in isolation and as part of a team. He is thorough and detail-oriented both with tangible logistical tasks and also with less tangible challenges, such as creating a supportive and positive work environment.

Eduardo is also highly personable and not only gained the professional respect of his peers at Surf Simply but was also a thoughtful and compassionate friend to everyone. He will be greatly missed by the whole Surf Simply team.

Please feel free to contact me with any further questions.

Yours faithfully,
